PROFESSIONAL EXPERIENCE

UNITED STATES ARMY 2017 – Present

Adjutant Generals Captain Career Course Student (2021) *Fort Jackson, South Carolina*

Learned to develop, interpret, plan, integrate, and coordinate the Army's Human Resource programs at the battalion and brigade level.

Headquarters Company Executive Officer (2020-2021) *Pyeongtaek, South Korea*

Responsible for the supply discipline, maintenance, and accountability of \$50M+ worth of equipment. Lead training and resource management in support of individual and collective task training for the battalion Scout Platoon, Mortar Platoon, Medical Platoon, and the Battalion Staff sections.

- Used SAP Enterprise Resource Planning ("SAP") software to collect, store, and manage data such as purchase requests, current stock, and vehicle/equipment status
- Lead around-the-clock counter COVID-19 screening operations to protect the force and their families. Once threat level diminished, maintained the ability to execute screening at a moment's notice
- Implemented standard operating procedures which directly saved the unit over ten thousand dollars.

Tank Company Executive Officer (2019-2020) *Fort Riley, Kansas*

Responsible for the logistical, administrative, and fiscal management of a Tank Company (65 personnel and associated vehicles) with global contingency missions. Accountable for \$70M+ worth of vehicles and equipment. Develop and implement logistical support plans to ensure operational readiness for wartime, contingency, and peacetime missions.

- Used SAP software to track and report combat power as well as create purchase requests
- Deployed Company and equipment to Camp Humphreys, South Korea from Ft. Riley, Kansas. Set conditions to evacuate non-combatants if required while keeping equipment ready to deter North Korea aggression

Tank Platoon Leader (2018-2019) *Fort Riley, Kansas*

Responsible for the tactical employment, training, administration, personnel management, and logistics of a 16-man Armor Platoon. Responsible to the commander for the discipline and training of the Platoon, equipment maintenance, and mission success. Subject matter expert in the tactical employment of the Platoon.

- Transported \$50M+ of vehicles and equipment between Ft. Riley, KS and Ft. Irwin, CA on multiple occasions

Training and Doctrine Student (2017-2018) *Fort Benning, Georgia*

Graduated Infantry Basic Officer Leader's Course. Learned the competence, confidence, physical and mental toughness, and moral/ethical fiber necessary to lead platoons in any operational environment

SIMPLE MOBILE 2011 – 2012

Mobile virtual network operator startup. Acquired by Tracfone in 2012.

Internship – Sales and Finance (Summer 2012) *Irvine, CA*

Evaluated value of company's rate plan portfolio, retail distribution expansion ROI, and customer life value.

Internship – IT and Marketing (Summer 2011) *Irvine, CA*

Learned use of IT data collection and recall systems using SQL to understand and predict current/future customer trends. Communicated with consumer base using social media platforms.
